1. **BIG BEATS AND RECORD BREAKERS** :24

Hi, Shadoe Stevens, AT40. Last week we were rocked on top of the official Billboard chart by a Londonbeat. The new group from England hit #1 with "I've Been Thinking About You". But just below, climbing to #2 was Wilson Phillips and their latest, "You're in Love". It could become their third #1 -- all from their debut album. And that would re-write the record books. Will it be hit history in the making? It'll happen right here -- on American Top 40. (LOCAL TAG)

2. **BLAZING DEBUTS FILLED WITH CHART FIRE** :25

Hey, Shadoe Stevens, AT40. Last week these hot acts made blazing debuts filled with chart fire. Mariah Carey was back with her fourth hit in a row, "I Don't Wanna Cry". Her first three hit #1 -- will she take this one all the way to the top? And coming in up at #27 was the band Queensryche and their dreamy mood music they call "Silent Lucidity". Is their silence golden? There's only one way to find out -- right here -- on American Top 40. (LOCAL TAG)
