1. COLOR THEM BADDER

:31

Hey, Shadoe Stevens, AT40. And you can color them badder than ever. They've now spent four weeks on top with their second #1 in a row, "All 4 Love". But Color Me Bad! can't stay there forever. Just below, Mariah Carey "Can't Let Go", holding her ground at #2. And moving up to #3 with her first top 40 hit, it's Shanice and "I Love Your Smile". Does she have a #1 going? And watch out for Prince and The N.E.O., spending at #4 with "Diamonds And Pearls". Anything can happen at #1 when we count 'em down this week -- on American Top 40. Right here! (LOCAL TAG)

2. RECORD SETTING STARS AND THEIR SONGS

:36

Hi, Shadoe Stevens, AT40, where 1992 has begun as year of chart achievement for some of the biggest names in music. Elton John recently became only the second solo singer ever to hit the top ten twice with two versions of the same song, and it's all because of his live remake with George Michael of Elton's old hit, "Don't Let The Sun Go Down On Me". Then Michael Jackson became one of the few artists in chart history to achieve fifty, 50 top 40 hits. Last week he debuted with his latest, "Remember The Time". Musical milestones in the hit history we count down every week right here -- on American Top 40! (LOCAL TAG)
