1. MADONNA, LOLLAPALOOZA, AND MORE :35

Hi, I'm Shadoe Stevens with an invitation to hits and more on American Top 40! If you didn't catch the countdown last week, you missed interviews with Robert Smith from The Cure and Madonna! We took a look at the most talked about concert tour of the summer, Lollapalooza! We had the fascinating story of behind one of the year's hottest new artists, Sophie B. Hawkins. Plus all our usual features, an AT40 Flashback to the hit past, a Sneek Peek at the hit future with the hottest all-new song on radio playlists, Music News, Long Distance Dedications and a whole lot more. So who knows what might happen this week? D'Shadoe of course! Join me for all the Billboard chart action, right here, on American Top 40! (LOCAL TAG)

2. THE ROAD TO #1 :37

Hi, I'm Shadoe Stevens. Last week on AT40, after their first four singles hit the top 40, Boyz II Men watched their fifth go all the way to the top of the Billboard chart! For them, the "End Of The Road" was #1. Now that they've arrived, how long will they stay? Bobby Brown has the best shot to knock 'em out of the top. But last week, his new song "Humpin' Around" actually slipped down one to #7. I wouldn't bet against Bobby though. And also keep an eye on En Vogue, now holding at #5 with "Giving Him Something He Can Feel". They'd like that #1 feeling again, following up their chart topper "My Lovin' (You're Never Gonna Get It)". What happens next? Only one way to find out. Count down Billboard's biggest hits with me, right here, on American Top 40. (LOCAL TAG)

3. COUNTDOWN BOUND HITS SOUNDS? :33

Hey there. Shadoe Stevens, lookin' at big names who could be countdown bound with their latest hit sounds. Uh-huh. There's Babyface along with Tony Braxton and another song from 'Boomerang', "Give U My Heart". There's a former Sneek Peek from the big band who just launched the stadium leg of their latest North American tour, U2 with "Even Better Than The Real Thing". Moving up fast with a new solo hit, "Restless Heart", it's Peter Dinklage. And Wilson Phillips are back again with their latest, "Give It Up". Will they all debut? Join me for the biggest Billboard hits blarin' outta radios across the U.S. A. as we count 'em down non-stop from 40 to 1, right here, on American Top 40. (LOCAL TAG)

HOUR 4 TRACK 5 RUN TIME: 12:05

1. The Cure's current hit is "Friday, I'm In Love," is from their latest album, 'Wish.' It's kind of a happier, bouncier album than their last one. And when we got a hold of The Cure's leader, singer ROBERT SMITH, he told us about it and -- well, we've played this a few times for ourselves -- and we're still not sure what he said. So, see if you can figure it out:

ROBERT SMITH ACTUALITY: (:41) "There's a lot on it that's quite heavy though, it's not your common light weight, things are open and end and cut; they're not among some of the most aggressive songs that we've done, but sound-wise they're certainly among the most aggressive we've done. "Damian Stuck" is a pretty sort of throw your hands in the air, let's get happy, kind of record, same with "FRIDAY I'M IN LOVE" as well, it's just a very naive, happy, kind of pop song... a bit like "LOVE SONG," really. Same kind of vein. So I think that overall, there's a real diversity with this."

2. We asked Celine Dion about her current hit, "IF YOU ASKED ME TO" :

CELINE DION ACTUALITY: (:36) "Diane Warren just presented me with a lot of songs, and I choosed five songs and in there was "IF YOU ASKED ME TO." And I didn't know that Patti LaBelle did it a few years ago, so I went to the studio and I started to record the song and someone told me that, yeah, that song has been recorded by Patti LaBelle many years ago, and I said what? This song, really? The most important thing for me is to love my music, to like the songs that I'm singing, an old song, or a new song, doesn't matter. If I'm happy, then I sing songs that I enjoy, that's the most important thing."

3. We recently lost one of rock's greatest drummers, Jeff Porcaro. Jeff's work touched us all... even if we didn't know him, and we had a chance to ask probably the most famous rock drummer in history his thoughts about Jeff, and here's what Ringo Starr had to say:

RINGO STARR ACTUALITY: (:19) "I can only say as a musician, Jeff was a brilliant drummer. I've met Jeff but, you know, it's not like we were close, but it was hey Jeff, how you doing? But, he really had a really nice style of playing, one that I could appreciate. Sorry we've lost him, and that's all I can say really."

4. She's probably the most famous woman in the World... we asked MADONNA about the pros and cons ... of fame:

MADONNA ACTUALITY: (:31) "Well the best thing is I don't have to wait for table at a restaurant, oh I better not eat while I'm doing this! The worse thing is that I can't put my trash out in front of my house, 'cause people always go through it, a kind of a spectrum. I can walk around, to a certain extent, for instance, my friends, when we want to go out and stuff, well, it's kind of like ok, well, do you want to deal with the flashbulbs in you face too? Because basically, like they sort of park in my neighborhood. So I have to sort of deal with those extra terrestrial beings."
