Last week, Snow explained his big first hit, "Informer", Ugly Kid Joe told us about the reaction they've been getting for re-doing the Harry Chapin '70's hit, "Cats In The Cradle", and the hot new girl group Jade talked about their top five song, "Don't Walk Away". Hey, every week we count down radio's top songs from the Billboard chart on American Top 40, where the stars talk and music's non-stop to #1! Join me won't ya, right here and only here on (LOCAL TAG)

3. **WATCH OUT FOR THOSE JACKSONS** :30

Hi, I'm Shadoe Stevens. Last week on AT40, Spin Doctors spent their seventh week at #1 with "Two Princes". But watch for those Jackson's! Janet Jackson's at #4 and moving up fast with her new song, "That's The Way Love Goes", and what about big brother Michael at #6 with a song that's already gone #1 dance, "Who is It?" Then there's Duran Duran at #7 with the second top ten of their comeback, "Come Undone". They'd like it to follow "Ordinary World" to #1. Find out what happens this week, join me as we count 'em down from the official Billboard chart, right here, on American Top 40! (LOCAL TAG)

1. Our next song is a remake of a #1 song from 1974. And since UGLY KID JOE have released their version of Harry Chapin's "CAT'S IN THE CRADLE", they've gotten some interesting reactions:

UGLY KID JOE ACTUALITY: (:26) "People will come up and go oh yeah, I really like that song, and like I have problems with my dad or they'll actually give you some crazy story... I cried the first time I heard it on the radio. Someone just told me yesterday, they cried the first time they saw the video. It's portrayed so well, like a little movie, that you can get the full vibe of the song. I mean we had no idea it was gonna like turn out to be a hit or whatever 'cause we were just putting it on the album and low and behold!

2. The song, "INFORMER" by Snow is a little hard to understand. Well now you can quit racking your brains trying to figure out "a leaky boom boom now" and the rest of the song -- we have SNOW to explain:

SNOW ACTUALITY: (:24) "The story's about an informer who ratted me, that means put it on me so he ratted on me and put me in jail for a year for two murders that I didn't do. So then, that's when I wrote the song, when I was in jail, about the informer, who ratted on me, ha! Informer, that's who I'm gonna blame, detectives said, daddy stole my step, somebody down the lane, I think you're boom boom now, that means I let go. Hit down the informer."

3. Jade's second hit is "DON'T WALK AWAY" and they told us a little about the song:

JADE ACTUALITY: (:45) "You know, when you take a chance on a guy, you find yourself liking a guy, he likes you, and you want to get intimate, but you don't because you're not sure, if he's gonna be there after you get with the program. And so, it's basically about that, it's a question song, if we do this, are you gonna be around, will you stick around for a while? Are you gonna walk away, so it's like don't walk away, and you're telling the guy, I like you but, we have to take this one day at a time, so I think it's a good message for people, 'cause if I tell you that no, we're not gonna be intimate, are you gonna walk away? Right. And then if we are intimate, are you gonna walak away? Ha ha ha! Well, don't walk away! It's like that, yeah!"
