2. **JANET KIND OF SUMMER?**

:26

Hi, Shadoe Stevens, AT40. Looks like it's gonna be a 'Janet' kind of summer of the Billboard chart. Last week, Janet Jackson debuted on the album chart with her new album, 'Janet'. While the first single, "That's The Way Love Goes" spent a second week at #1 as the most popular song on radio. And lemme tell you, I've heard Janet's album and you can bet on a lot more hits before this year's out. D'Shadowe knows, and you'll hear 'em here, on American Top 40. (LOCAL TAG)

1. Now, since he first came on the music scene ten years ago in Make-up, lipstick, dreadlocks and his androgenous wardrobe, a lot's been written about Boy George in the press; everything he did was in the papers. And we asked him about it:

BOY GEORGE ACTUALITY: (:35) "I never do things in a premeditated way. I just do what I want to do, and if it becomes front page news, whatever. I don't really think about it, or sort of calculate. There's a lot of harm made about irrelevant things in the press. That's the trouble when you're famous, everything you do is news. If you don't wear make-up it's news. If you wear make-up it's news. The whole thing is a complete pile of rubbish, really."

2. Even though Snow is only 23 years old, he's already had a tough life. He was in prison for a crime he didn't commit, and would like to save other kids from going down the wrong road. That's why he's to be a positive influence -- starting with a couple of kids back home:

SNOW ACTUALITY: (:29) "I've got an eight year old brother, twelve year old sister, so to me, I try to teach them the right stuff. They look at me and they see that this ain't right, I'm always phoning home collect, so it's like, they know not to get in trouble. They know whatever... we're close, like she's smart, she's twelve and she knows everything. She looks up to me now, she goes 'oh... I know'."

3. Jon Secada is one of the hottest new stars of the past year, and he's already lent a hand to a bunch of different causes like Hurricane Andrew relief back home in Miami. So when we recently caught up with him, we asked if he feels that the more successful an artist becomes, the more responsible they should be:

JON SECADA ACTUALITY: (:45) "Absolutely, for any artist really, whatever your cause might be that you're interested in supporting, whatever it is that you want to lend a hand to, we are in a position, as artists and as people to lend a hand and to do that. It's our responsibility to be a good example and to do whatever we can for the causes that we believe in. Stardom, to me, is a very lucrative term, but it does mean one thing, it means that as a quote unquote star, then it's my responsibility to give something back, money, help, charities, whatever it is to help the people because that's what it's all about. We're in a position that we can do it and we should, anytime we can."

4. Diane Warren is one of the hottest songwriter's around. In just the last ten years she's written five #1's and 37 Top 40 hits, and has to be a true inspiration to any aspiring songwriter out there. We asked who inspired and influenced her to write songs?

DIANE WARREN ACTUALITY: "Oh yeah like Holland Dozier Holland, those great Motown songs, Bert Bachrach, Lennon-McCartney and, they're such great people to draw from as inspiration, because I grew up in the 60's really, listening to top 40 radio when you could hear such classic songs. The best songs ever, from Motown to the Beatles, to just great pop music, which is what I love, I love... there's nothing better than a great pop song."
