:36

Hey, Shadoe Stevens here. Last week on American Top 40, Tina Turner became the longest-charting woman in history -- 33 years. And wait, Whitney Houston became the woman spending the most (consecutive) weeks in the Top 40 with hits from one movie -- 33 weeks with songs from "The Bodyguard." And that's not all. John Taylor of Duran Duran gave us the story behind their hit now at #2, "Come Undone"... we also talked to Kenny G. and Jeremy Jordan. And we had the story behind the Proclaimers hot hit, "I'm Gonna Be (500 Miles)" from the movie 'Benny & Joon.' Just part of what went on last week on American Top 40. Join me this week for that non-stop hop to the top! Right here and only here on... (LOCAL TAG)

Hi, I'm Shadoe Stevens, AT40. It's a Jackson jolt on the charts lately and I'm not talking about Michael. His little sister's latest album 'janet' is sitting pretty up on top of the album chart and the first single has hit #1 Dance and has been #1 for five weeks now on American Top 40 -- the biggest hit of Janet's career. And it's all far from over -- here comes her first movie, 'Poetic Justice.' Told you about that a while ago here on AT40. Join me **this** week, won't ya? For all of Billboard's biggest hits on the radio, music's hottest stars and more -- American Top 40 with D'Shadowe, right here and only here on... (LOCAL TAG)

Hi, I'm Shadoe Stevens. There's only ONE official Billboard Chart and there's only ONE official Billboard countdown on the radio -- AT40. Give us four hours, and we'll give you the pop perspective across the entire U.S.A. for the 1990's -- the 40 most popular songs played on radio. We get the stories behind those songs FROM the stars... their personal stories too, plus chart trivia, music news, concert updates, long distance dedication letters, Flashbacks to the chart past and Sneak Peeks at the hit future. It's not #1 until Billboard and AT40 says it's so. And only D'Shadowe knows -- on American Top 40. (LOCAL TAG)

(Al Capps/Dain Blair/Jeff Koz/Mark Leggett/Who Did That Music, BMI)

**HOUR 4 TRACK 5 RUN TIME: 10:56**

1. "BY THE TIME THIS NIGHT IS OVER" is the duet by Kenny G. and Peabo Bryson. Kenny told us how it all happened:

**KENNY G ACTUALITY: (:30)** "Peabo Bryson wanted to do it so much. He and I met at the American Music Awards and he came up and he said, "hey, you know, I really want to do something with you, I want to go on tour, let's do a song together" and I said "Yea, that's great". I was just starting to put together the idea for a vocal song for my record so I called him and we put a song together that Michael Bolton composed, co-written by Diane Warren. It was produced by David Foster and Walter Afanasieff, two of the top producers around and they did a great job of it."

2. Robin S. has the hit "SHOW ME LOVE" and we've mentioned that before that Robin used to be the secretary to the Mayor of Hempstead, Long Island. We spoke to the Honorable Jim Garner and found out how he felt about this whole thing...

**JIM GARNER ACTUALITY: (:34)** "Robin is a great personality and of course, Robin is one, one of Robin's long dream obviously is to make a record and of course, I've seen Robin in numerous nightclubs. As a matter of fact, Robin was on a trip to Paris and Robin was on a trip to London and when she came back, she said "Mr. Mayor, I think I'm gonna be taking a year off and would you grant it?" And I said, "absolutely yes, I don't want to stand in the way of your career." And I wish her all the best in the world. "SHOW ME LOVE" is a great record and I have to tell you that. It's #23 on American Top 40".

3. Jade are three women outta Los Angeles and we found out one of them has a real bad sweet tooth. Not Joy. Not Tanya... so it must be... DI:

**JADE ACTUALITY: (:49)** "I wanted to be a candy store lady and how I gave out candy to all the kids and stuff, I wanted candy, but I couldn't have it as a kid, I just wanted to have it, the store, just give it to the neighborhood kids... she still is a candy lady... it's like candy, I mean they're treats... nice treats for you. The secret is the sugar because once I just cold-turkey, cut out all the sugar, all the candy, the gum, everything and I broke out! For not having it! Ha ha ha. It just agrees with me, for some reason. She's sweet. I mean I eat it....."

4. The second big hit for JEREMY JORDAN is "WANNAGIRL" and he told us he took a little trip to record it:

**JEREMY JORDAN ACTUALITY: (:30)** "That was a cut done by Keith Thomas and he's a bad cat out of Nashville. He could write, he can even sing too, but he wrote this slammin' dance tune called "WANNAGIRL" for me and I mapped it out down there in Nashville. Yeah, I was saying to myself... yeah, when they told me I was going to Nashville, I was like 'oh my god, what do they have me doing? a country song or something like that? 'Cause I was, you know, everyone associates country music and Nashville, but this guy writes straight up R'N'B, gospel too. ...Amy Grant, Whitney Houston, James Ingram."

5. DURAN DURAN's hit is "COME UNDONE" and JOHN TAYLOR old us the story behind the song:

**JOHN TAYLOR ACTUALITY: (:31)** "It was actually written at a time where we thought the album was done. It was mastered, it was ready for release and this song was conjured out of thin air, really, by Warren and Simon and it was just so beautiful. Warren had a guitar riff which was actually from another song and he was working it up to play live, and he slowed it right down and suddenly it was something else and Simon heard it and loved it and came up with a very hauntingly beautiful lyric about falling in love for the first time."
