AT40 ACTUALITIES w. SHOW #44

1. JODECI/K.C. ACTUALITY: 1:26

We asked K.C. to retell that great story about how Jodeci got their record deal:

Around that time BBD came out, New Edition, Guy -- groups like that were out. They were on MCA. So we were, 'yeah, we wanna be on MCA.' We scraped up \$300 got into Devante's Escort and said let's go to New York. From North Carolina it took 12 hours and we rode around New York another 12 hours, looking for someplace to sleep. So anyway we got up looked in the Yellow Pages for MCA, we found it on Broadway. We went there. Ther receptionist was like, 'well who are you here to see?' And we wuz like 'We don't know, we'll let anybody hear our tape.' By that time, the A & R director at that time, Kurt Willy came out into the lobby and said 'you fellas here to see anybody?' We said, we just want someone to hear our demo man. He was like 'give me 15 minutes.' 30 minutes came -- no Kurt Willy, we're still out there. Finally, he came out and said 'come into my office. We let him hear our tape and he said 'sounds good, but you know what you need to do man, go back to North Carolina and do the tape over.

We said 'No man we ain't doin that --we came for a deal.' He said 'President's not going to like it.' We wuz like 'he might like it -- you don't know man.' He got the President Andre Hurrell. He listened and said 'could you all do this live?' We said 'right now?' He said 'yeah.' We sang accapella live and then Andre and Kurt left out of the office and Andre came back and said 'grab your coats I'm going to take you out to dinner' and got a deal that same night."

2. DINO ACTUALITY: 26

We asked Dino if he's heard from the original songwriter of "OOH CHILD" and what he thinks of the remake.

We contacted the writer, Stan Vincent, because I wanted to print the lyrics in the CD booklet and you have to get permission to reprint lyrics and if he would mind. So my manager contacted him and told him, we're coming with it as a first single and he was excited and said 'yeah, print the lyrics, change a couple words if you want to' -- so he was really happy. He's out of New York so next time I go to New York I'd like to hook up with him and meet him -- that would be really cool.

2. MARIAH CAREY ACTUALITY: 24

We asked Mariah about her drive and struggling to make it:

I think it comes from not having that much growing up... always feel like I had less than all my friends. I lived in like upper middle class neighborhoods or whatever, but we always had like the worst house --you know, the worst of it all, and all my friends -- we had to really struggle a lot and that always gave me that extra push, like I'm going to get outta here, I'm going to make it one day. I think that has a lot to do with it.
