1. **CELINE'S SONG SHOPPING AND FAMILY CRANBERRY** :26

Hi, I'm Shadoe Stevens. Every Week on AT40 we count down the hits and talk to music's hottest stars. Last week, red-hot **Celine Dion** talked about shopping -- for songs. Also visited with **Cranberries** lead singer **DELORES O'RIORDAN** who talked about growing up with 8 brothers and sisters. And we had a phone call from the road with **Jimmy Cliff** on reggae's influences in today's pop music. Join me for this week's all-star line-up from the Billboard Chart -- Right here - on American Top 40! (LOCAL TAG)

2. **ACE OF BASE'S TWO-HIT RECORD AND JANET'S TOP TEN STREAK** :36

Hiya, Shadoe Stevens, AT40, where there's hit history happening every week. Last week, **Ace of Base** broke a record going back to the 1950's by spending their 12th week at #1 with their first two hits. **Janet Jackson** scored her 16th SOLO Top Ten, putting her in a tie for second place among rock era women. First place? **MADONNA** with 26 Top Tens, so Janet has a way to go. Hey, we also checked out the oldest person with a Top 40 hit. The late Canadian news commentator, **Gordon Sinclair**. Really. Chart Truth is stranger than fiction right here -- on American Top 40! (LOCAL TAG)

3. **INVITATION TO HIT ADVENTURE** :34

Hey, Shadoe Stevens with an invitation to Hit Adventure on AT40. Last week, we took an "AT40 Flashback" to the year **Rod Stewart** strutted around in pink stretch-pants and hit #1 singing "DO YA THINK I'M SEXY" -- 1979. In "AT40 MUSIC NEW" we found out about a possible new 24 hour music channel that may give MTV a run for their money. We checked out songs that made us go "SHOO!"....looked at the longest subtitle of a hit song. It's always more than just the Billboard hits, with stars and their stories and song trivia too -- on American Top 40. Join me -- right here and only here -- (LOCAL TAG)

1. Our next song is only the second Top 40 hit for International Reggae Star, Jimmy Cliff. We talked to Jimmy on the phone a couple weeks back from the road while he's on tour -- and we asked if he hears more reggae influences in today's pop music?

**JIMMY CLIFF ACTUALITY:** (:19) "Like I mean, it seems that there are no hit songs on the pop charts if there is not a little reggae in them. If you listen to everybody, I mean from Prince to Michael Jackson to whoever, you know, they all have a little reggae in them. Even some heavy metal, even some rock, you know? Even now you're hearing alittle more."

2. Maybe you remember me talkin' about Celine Dion, and how she's one of 14 kids? Well The Cranberries' Dolores O'Riordan says she also comes from a huge family and told us what it was like:

**DELORES O'RIORDAN ACTUALITY:** (:19) "It's really nice having a big family, just, like my mother started her family when she was 17 and by the time she was 27 she'd given birth 9 times. She loved children and she's just a great mother. We didn't have many toys, But then when you get it, you appreciate it a lot more. It was nice."

3. So... like to hang out at the mall? This next singer says it's right up there on her list of favorite things, too. And, Celine Dion told us she finds a lot of similarities between that, and picking the songs she sings:

**CELINE DION ACTUALITY:** (:29) "When I choose a song, I take it so, I take my time, like when I listen to a song it's like going shopping. It clicks, I don't know, I just... the lyric has to be good, the music has to be good also. It's like going shopping, like I said before, you see something wonderful and beautiful in the window and you try it on and you feel so comfortable, you know it's for you. The color is beautiful, the fit fits you perfectly... everything! So a song is the same thing."
