1. **LUCKY AMY AND SOUNDGARDEN'S CORNELL** :22

Hi, Shadoe Stevens, AT40, where the stars come out as we count down their latest hits. Last week, we talked to an excited Amy Grant, back with a new album, "House Of Love," and new song, "Lucky One." And we met the lead singer of Soundgarden, Chris Cornell; Told us how he got into music when he was about five years old, because of the Beatle's "Hey Jude." Hey, we've got music's hottest stars and more - every week - right here - on American Top 40! [LOCAL TAG]

2. **SUPERCALI-COUNTDOWN FUN** :31

Hi, Shadoe Stevens, with an invitation to hit music and more on American Top 40. Last week, we looked at the Disney album that hit #1, 30 years before 'The Lion King' was even a cub... "Mary Poppins"; We heard a special medley of music from that movie. We also took an AT40 Flashback to the year 'The Pride of East Los Angeles' howled at #1 - Los Lobos with "La Bamba," in 1987. And we had an AT40 Sneak Peek from Prince - "Letitgo" recorded before his Symbol switch. Join me this week, won't ya? - for all the hit-fun - on American Top 40! [LOCAL TAG]

3. **FIREFIGHTING COOLIO AND LISA'S #1** :31

Hey-hey, I'm Shadoe Stevens, with radio's top songs across the U.S.A., all the hit-facts, the stars, their stories and more! Last week, we found out about the rapper who beat drugs by becoming a fire fighter! That's the story of Coolio, in the countdown with his first hit, "Fantastic Voyage." And we looked at women who've written their #1's by themselves - Lisa Loeb is the latest still on top with her group, Nine Stories, doing "Stay." Will they 'stay' at #1 another week? D'Shadoe knows and you will too - just join me - right here - for American Top 40! [LOCAL TAG]

1. Amy Grant's last album "Heart in Motion," was her biggest ever -- Quadruple platinum! So we asked her if she was nervous heading back in the studio to record the follow-up album, "House of Love."

AMY GRANT ACTUALITY "The only thing I was nervous about was, 'Will the songs be there when it's time to go into the studio ?' And, you know, that process happens with every recording and you just have to be patient and not rush in too soon. And then once we went into the studio I thought, 'I like this better than the last one,' which is a good feeling."

2. Recently, we talked to Soundgarden lead singer Chris Cornell and he told us he first really got into music when he was a little boy -- because of a Beatles' record written for John Lennon's little boy.

CHRIS CORNELL ACTUALITY: "Actually it was 'Hey Jude.' When I was going to kindergarten, there was a time in the day where somebody would bring in like a record, you know , a child's record , of course, and they would play that record and generally, you know, it was some Disney style theme or something. And when it was my day to bring in a record I'd heard this single and it really moved me and I thought it was really great. So I brought it in and, you know, I was six years old. I didn't know. It wasn't something to do. So I brought it in and I played it and instantly took it off and I was punished , or whatever, for bringing that thing in. That was like this big moment for me to figure out how powerful it could be, you know. That that music could actually like, intimidate someone or make someone uncomfortable , or be something that wasn't necessarily OK to sing or to play."
