1. **SINGS ALONG TO AT40**

:25

Hi, I'm Shadoe Stevens, American Top 40, where last week, Melissa Etheridge told us about a song close to her heart - her latest hit, "I'm The Only One." We also found out how Soundgarden's singer, Chris Cornell got rockin' when he was 16, playing a fifty dollar set of drums; A bash-crash-bang beginning for him. And, we discovered that one of the year's hottest new groups, All-4-One, may owe at least part of their success to Karaoke. Hey, sing along to the hottest hits with me, right here on - American Top 40! [LOCAL TAG]

2. **ALL THE HITS, ACTION AND MORE**

:32

Hiya, Shadoe Stevens, AT40, where last week, we solved the riddle of "TAFKAP" - that's "The Artist Formerly Known As Prince" - now a symbol, but back on the charts as Prince for his latest hit, "Letitgo"; Go figure. In AT40 Music News, Mickey Mouse and friends met Salt-N-Pepa and other rap stars for a new album... and we took an AT40 Flashback to the year Guns 'n' Roses hit #1 with an Axl to grind - 1988. Join me for all the hit action and much more - every week - on American Top 40! Right here and only here! [LOCAL TAG]

AT40 Int. ACTUALITIES w. SHOW 38 DISC 4 TRACKS 13 &14

1. Next, it's the **second** Top 40 hit for **Melissa Etheridge**...and you could say it's one close to her heart: She told us all about "I'M THE ONLY ONE."

MELISSA ETHERIDGE ACTUALITY: (:20) "It's about the fear of betrayal, it's about that heartache and that gathering yourself up and going, "Oh, OK, this might hurt but I'm gonna tell you what I think about this and I'm gonna tell you very forcefully and it's a rock n' roll song, straight forward. It's one of my favorite songs on the record. I love to do it live."

2. This next band's singer didn't start out in rock'n'roll **singing** -- he started out **hitting** things -- playing drums. And that led **Soundgarden's** **CHRIS CORNELL** to **big** things...

SOUNDGARDEN ACTUALITY: (:38) "Like 16 , when I bought my first drum set which I just bought for fun. And, I bought it for fun for like fifty-dollars and within like 2 weeks I was in a band, just by chance. Somebody walked by my garage when I was playing and came in and said, "Yeah, why don't you be in my band," and so, you know, it was like, it wasn't even really a concious decision at that point I was just having fun and the next thing I new I was playing bars and having to sign these minor musician forms so I could even be there and it was really exciting and really kind of surprising that all of a sudden I just had been offered by fate this direction and I pretty much have been doing it ever since."
