RE: Out Cues For This Show  
DATE: March 21, 1981

Scheduled for broadcast the weekend of March 28-29, 1981, this program #K811-13, is Gary Owens' second guest appearance as Host of SOUNDTRACK OF THE 60s.

As you know, Gary will replace Murray the K as regular Host on next week's show, #K812-1, scheduled for broadcast the weekend of April 4-5. In that program, a whole new theme music and I.D. package will begin, and we'll enclose formal instructions on how to adjust to it.

Meanwhile, the usual "Murray the K" jingle that precedes commercial breaks at C-2, C-3 and C-4 in each of the three hours, has been replaced with an instrumental logo this week only (#K811-13). It's a fairly obvious cue, but we recommend you listen to these commercial breaks before airing the show, so you can be sure of your cue to go to local commercials.

Meantime, get ready for Gary's first regular show and an all-new S.O.S. music package next week. It'll knock you out!
