

SOUNDTRACK OF THE 60s

SHOW # K822-10: AIRDATE JUNE 5 & 6, 1982

NICK SANTA MARIA remembers his group's only major national hit; the Capris reached #3 in March, 1961 with "There's a Moon Out Tonight." VINNY CARELLA of Randy & the Rainbows recalls the magic of the session in which they recorded the top ten hit, "Denise," produced by the Tokens.

SLIM PICKENS talks about his role as Major Kong in the landmark movie, "Dr. Strangelove." Slim rode a nuclear bomb to doomsday and to get the shot, he hung upside down on the bomb, yelling and waving his hat.

We'll take a special look at the DISCIPLES OF BUDDY HOLLY. After Holly's untimely death, Bobby Vee was called on to sing with the Crickets; many of Tommy Roe's hits were written in the style of the legendary Buddy Holly; Bobby Fuller had hits with "I Fought the Law" and "Love's Made a Fool of You." We'll also focus on the first week of JUNE 1967, fifteen years ago, when Aretha Franklin was #1 on the record charts with "Respect."

As always with each show, SOUNDTRACK OF THE 60s features the GREAT MOVIE THEMES OF THE DECADE and our listeners talk about their favorite memories of the 60s.

AND...REMEMBER, THE SOUNDTRACK OF THE 60s SWEEPSTAKES, WHERE A LUCKY LISTENER CAN WIN THE GRAND PRIZE OF A FULLY RESTORED CANDY APPLE RED 1966 MUSTANG CONVERTIBLE AND AIR TICKETS TO HOLLYWOOD!
