

SOUNDTRACK OF THE 60s

PROGRAM HIGHLIGHTS

SHOW # K824-1: AIRDATE OCTOBER 2 & 3, 1982

HOSTED BY GARY OWENS

PAUL ANKA began his career at the age of twelve as an impersonator. His big break came with a song he wrote about his babysitter, "Diana" followed by the hits "Puppy Love" and "Dance On Little Girl." Even today, PAUL ANKA remains a top attraction on the concert circuit.

MICHAEL JACKSON, ABC Radio talk show host, is one of the foremost radio personalities in the country. A veteran of radio on three continents, MICHAEL JACKSON developed the talk show style that he has become known for right here in the United States.

We'll take a special look at the MOODY BLUES, a band that brought a new level of art and poetry to rock 'n' roll. They were the first British act to appear on the "Hullabaloo" television show and also accompanied the Beatles on their highly successful world tour. The MOODY BLUES had hits with "Go Now!," "Nights in White Satin" and "Ride My Seesaw." We'll also focus on the first week of OCTOBER 1966, sixteen years ago, when Argentine nationalists made yet another attempt to take over the Falkland Islands!

As always with each show, the GREAT MOVIE THEMES OF THE DECADE and our listeners talk about their favorite memories of the 60s.
