

# SOUNDTRACK OF THE 60s

## PROGRAM HIGHLIGHTS

Show #K831-7 Airdate: February 12/13, 1983

Hosted by Gary Owens

DEAN TORRENCE, 1960s recording star of Jan & Dean, chats with Gary Owens about the innovative sound that he created with his partner, Jan Berry. Jan & Dean's "Surf City" and "Little Old Lady From Pasadena" were two of the 60s most popular songs.

We'll also talk to actor ROBERT STACK about his dangerous days as "Elliot Ness" on The Untouchables. The dramatic TV series aired from 1959 to 1963, and consistently drew high audience ratings. The show created a new "realistic" form of televised entertainment.

We'll look at the amazing career of THE FOUR TOPS, the only group to endure for three decades without a personnel change. Their biggest hits in the 60s included "Baby I Need Your Lovin'," "I Can't Help Myself," and "Standing In The Shadows Of Love."

Also, a look back at the news headlines and the top songs from the third week of February, 1969. And as always with each show, Great Movie Themes Of The Decade, and our listeners talk about their favorite memories of the 1960s.
