

SOUNDTRACK OF THE 60s

PROGRAM HIGHLIGHTS

Show #K831-12 Airdate: March 19/20, 1983

Hosted by Gary Owens

STEPHEN STILLS is best known for his work with Buffalo Springfield and Crosby, Stills, Nash & young. He fondly remembers the most extraordinary experience of his life-- Woodstock.

RON HOWARD got his television start as Opie on "The Andy Griffith Show" and went on to become a film star in "American Graffiti." His success continued with "Happy Days," a current television show set in the 1960s.

We'll play the SOUNDTRACK OF THE 60s NAME GAME where you'll learn the real names of some of your favorite 60s artists.

Also, we'll journey back to 1968 to look at the events that were headlining the news during the fourth week of March. We'll hear the top songs in the country during that week fifteen years ago. And as always with each show, Great Movie Themes of the decade and our listeners talk about their favorite memories of the 60s.
