

SOUNDTRACK OF THE 60s

PROGRAM HIGHLIGHTS

SHOW #K832-4

AIRDATE: APRIL 23 & 24, 1983

HOSTED BY GARY OWENS

DARLENE LOVE, who caused a sensation as the vocalist on the 60s standard "He's A Rebel," chats about her adventures - and mishaps - with famed producer Phil Spector.

AL LEWIS, the kind-hearted vampire from the hit television show "The Munsters," remembers the fun he had with his bat wings and strange makeup.

Though their name may have seemed to be taken from "The Munsters," THE ZOMBIES were actually one of the more popular bands of the British Invasion. We'll take a look at their career which included such classics as "Time of the Season," "She's Not There" and "Tell Her No."

We'll stroll back in time to the fourth week in April 1967, take a look at the events which were shaping our lives, and play the top three songs that week. As usual, there are the Great Movie Themes of the Decade and listeners recall their favorite memories from the 60s.
