Re: K834-2 BEATLES CLASSIC COUNTDOWN October 8-9, 1983

On the weekend of October 8-9, 1983 you will be airing a special edition of SOUNDTRACK OF THE 60s. Over the past few months we have been tabulating the thousands of entries we received in our BEATLES CLASSIC SWEEPSTAKES. Now, the counting is over and it's time for the results!

I'm sure you'll agree with me that our listeners and The Beatles have helped to create an excellent show. And all you have to do is put it on the air. This show is the usual three hours with 5 commercial breaks; your board engineer will follow the usual log sheets.

I hope you enjoy our BEATLES CLASSIC COUNTDOWN, the 40 all-time classic Beatles songs as determined by our listeners, as much as we have enjoyed putting it together.

If you would like copies of the printed countdown that is attached, please contact Beth Flauding at ABC Watermark. The list can be given to listeners thru the radio station or your advertisers.

If you have any questions, please feel free to call me here at ABC Watermark.
