

PROGRAM HIGHLIGHTS
SHOW 834-7

AIRDATE: Nov. 12&13, 1983

ART GARFUNKEL of Simon & Garfunkel gives us the background behind their first number one record, "Sounds of Silence." The amount of Simon & Garfunkel's tunes that bound home in the sixties was truly staggering and Art Garfunkel tells us his favorite was "Scarborough Fair."

We'll help celebrate three birthdays, Neil Young, a founding member of Buffalo Springfield and a former member of Crosby, Stills, Nash and Young turns 38 this weekend. Gene Clark of the Byrds, a fellow you got to know intimately just a few weeks ago right here on SOUND-TRACK OF THE 60s will be 42 this coming Thursday, November 17th and Petula Clark will celebrate her 51st birthday on Tuesday, November 15th.

Looking back to the second week of November, 1968 we'll play the top three songs with The Beatles "Hey Jude" hitting number one.

All this and more can be heard every week on SOUNDTRACK OF THE 60s.
