

PROGRAM HIGHLIGHTS SHOW 834-9 AIRDATE: Nov. 26&27, 1983

SONNY BONO of the former Sonny & Cher recalls when he met Cher and was hired by Phil Spector. Also, in 1965 their song "I Got You Babe" went gold.

We'll attend a Beach Boys Convention and chat with the organizers of the 2nd annual Beach Boys Convention. We'll hear how everyone at the convention remembers the first time they ever heard a Beach Boys tune.

We'll salute Joanie Sommers, who won a local talent contest at the age of ten in Buffalo. After moving to Venice, California she sang in her high school and college dance bands where she was discovered and signed to a recording contract.

The three top songs from the fourth weekend of November, 1965 were "1-2-3" by Len Barry, "I Hear A Symphony" by the Supremes and Number One, "Turn! Turn! Turn!" by the Byrds.

All this and more can be heard every week on SOUNDTRACK OF THE 60s.
