

WITH CARY OWENS

TO: SOUNDTRACK OF THE 60s SUBSCRIBERS
DATE: JANUARY 2, 1984

Enclosed you will find your first national advertiser-supported **Soundtrack of the 60s** program, #841-1. It is to be aired the weekend of January 7 & 8, 1984. This is per your agreement with the ABC Radio Network. Affidavits will be sent under separate cover.

The Network commercials are included in the show and we've provided two means of identifying Network spots and local inserts, which are self-explanatory:

1. Format Clocks
2. Show Cue Sheets

On the show cue sheets, you'll find cues for Network commercials. Operators can then insert local material at the beat between Network commercials and the **Soundtrack of the 60s** logo. The beat is about one second.

Immediately following the Network outcue, the operator simply starts his cue machine, fades out the master disc and re-cues the master disc to the **Soundtrack of the 60s** logo which gets the program started again and re-establishes continuity.

As in the past, always inspect your discs upon arrival to be sure there is no damage from shipment. If you haven't received your program by Wednesday prior to air date, call us at ABC Watermark on our toll free number, 800/423-2505. In California, Hawaii, and Alaska, call 213/980-9490
