**THE WEEKLY
TOP THIRTY**
WORLDWIDE STATION DIRECTORY
FEBRUARY 1980

Dear Listener:

THE WEEKLY TOP 30 is now six months new, and we thank you for your support. Nearly 200 stations have joined our network in the early months of the SuperSong Countdown. During 1980 we'll be encouraging even more stations to join us. So, if you like what you hear, let us know and just as important, write or call your local station *and* patronize the sponsors who bring you THE WEEKLY TOP 30.

Yours sincerely,

James Kefford
Executive Vice President
and General Manager
Drake-Chenault Enterprises, Inc.
